

Daily Scrum Meeting Minutes:

Attendees: Zainab Akhtar, Michael Alvarez, Javier Espinosa, Joseph Avalos, Bryan Rivero

Start time: 7:00 PM

End time: 7:30 PM

Zainab Akhtar:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done day since the last scrum meeting?
 - Integrated the role section into the documentation and ensures they are connected to the offboarding and onboarding workflows. Added small explanations that showed how each of the roles supported the compliance and security goals.
- What is planned to be done until the next scrum meeting?
 - Review the files to make sure the added RBAC integration does not create conflicts and prepare it for submission.
- What are the hurdles?
 - Making sure the wordings match the documentation scope

Michael Alvarez:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Documented the workflow of the offboarding section and created a draft of the sequence of access removal steps as well as the responsibilities inside of the architecture.
- What is planned to be done until the next scrum meeting?
 - Cross-check the onboarding and onboarding to ensure they match with the consistency of the documents.
- What are the hurdles?
 - Ensuring the explanations stay brief without being complex

Javier Espinosa:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Finalized the constraints for security by mapping the enforcements points with the RBAC and management tools.
- What is planned to be done until the next scrum meeting?
 - Go over the security sections finally and align the final terminology with the other documents.
- What are the hurdles?
 - Keeping the descriptions consistent

Joseph Avalos:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Completed the sections for offboarding defining the timings, administrative actions, responsibilities and compliance considerations.
- What is planned to be done until the next scrum meeting?
 - Go over the responsibilities of the admin across the onboarding and onboarding sections.
- What are the hurdles?
 - Avoiding multiple assumptions.

Bryan Rivero:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Reviewed the fresh added RBAC points and added minor fixes to better clarify the transitions between sections to make it more user-friendly for non-technical stakeholders. Provided more feedback on other sections.
- What is planned to be done until the next scrum meeting?
 - Support the alignment areas of checks across multiple sections.
- What are the hurdles?
 - Maintaining the sam terminology across all areas.
