Zainab Akhtar:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done day since the last scrum meeting?
 - Adjusted the diagram when I got feedback from my group members to ensure the terminology is consistent for non-tech stakeholders. I also improved the components to enhance clarity and document flow.
- What is planned to be done until the next scrum meeting?
 - Finalize the structure of the diagram and make it ready to be integrated into the documents.
- What are the hurdles?
 - Ensuring everything remains simple yet still depicts everything.

Michael Alvarez:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Continue to refine the matrix of traceability mapping working with the security constraints and RBAC roles. I also continued to go over the mapping with my team to ensure that it's accurate.
- What is planned to be done until the next scrum meeting?
 - Finalize the matrix of traceability and fix any issues.
- What are the hurdles?
 - Maintaining the traceability so it is clear and not overcomplicated.

Javier Espinosa:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Continued to address the documentation by validating it against the criteria of acceptance and the whole definition of done. Also adjusted minor details to meet the standards.
- What is planned to be done until the next scrum meeting?
 - Complete the process of validation and ensure that the acceptance criteria and stories align.
- What are the hurdles?
 - Ensuring that consistency standards are met.

Joseph Avalos:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Adjusted the summaries for sprint review and organized the documentations to ensure consistent flow and better clarity.
- What is planned to be done until the next scrum meeting?
 - Finalize the materials for the presentation and go over the rehearsed structure.
- What are the hurdles?
 - Balancing the depth of technical wording.

Bryan Rivero:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Went over the updated traceability matrix and system interaction diagram to ensure that visual alignment and consistent terminology is met across the documentation.
- What is planned to be done until the next scrum meeting?
 - Help with the final adjustments and help to prepare the necessary material for the sprint review.
- What are the hurdles?
 - Maintaining consistency between both the documentation language and visuals.
