Attendees: Zainab Akhtar, Michael Alvarez, Javier Espinosa, Joseph Avalos, Bryan Rivero

Start time: 7:00 PM

End time: 7:35 PM

Zainab Akhtar:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done day since the last scrum meeting?
 - Go over the system interaction diagram that was integrated into the documentation and adjust the formatting and labeling for better clarity. Made sure there was alignment between the onboarding, onboarding, access control and identity management sections.
- What is planned to be done until the next scrum meeting?
 - Cross-reference the diagram with the matrix of traceability to ensure it matches with consistency, alignment and matrix of traceability.
- What are the hurdles?
 - Making sure the diagram accurately depicts the system interactions while maintaining simplicity.

Michael Alvarez:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Adjusted the matrix of traceability by going over the mapping between the workflows, security constraints, and RBAC roles. Fixed minor gaps.
- What is planned to be done until the next scrum meeting?
 - Validate the documentation against the updated matrix to make sure there no inconsistencies.
- What are the hurdles?
 - Making sure its not too technical

Javier Espinosa:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Continued to go over the documentation to ensure that there is consistency between user stories and that it means the definition of done and the acceptance criteria. Made minor adjustments.
- What is planned to be done until the next scrum meeting?
 - Do a review specifically on sections that were updated to make sure there were no impacts on the earlier content that was validated.
- What are the hurdles?

- Having consistency all throughout even with interconnected sections.

Joseph Avalos:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Continued to work on the sprint review material and organize and refine the documentation to improve the logical flow between the explanations and diagram.
- What is planned to be done until the next scrum meeting?
 - Create an update outline for the presentation while the finalization occurs for the documentation.
- What are the hurdles?
 - Ensuring the flow remains cohesive.

Bryan Rivero:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Went over the recently added refinements in the system interaction model and the matrix of traceability to ensure the terminology, formatting, and structure remains consistent.
- What is planned to be done until the next scrum meeting?
 - Help with validating cross-document cohesiveness and help to support the final adjustments as needed.
- What are the hurdles?
 - Making sure the terminology is standardized throughout.
