

Daily Scrum Meeting Minutes:

Attendees: Zainab Akhtar, Michael Alvarez, Javier Espinosa, Joseph Avalos, Bryan Rivero

Start time: 7:00 PM

End time: 7:35 PM

Zainab Akhtar:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done day since the last scrum meeting?
 - Cross-referenced the diagram with the matrix of traceability ensuring that there is alignment and consistency with the matrix securing to the constraints.
- What is planned to be done until the next scrum meeting?
 - Start to go over the section about threat modeling in order to mitigate risks and find strategies that would align with the completed access control and workflow structure.
- What are the hurdles?
 - Ensuring the system's interactions stay technically accurate without overcomplicating it.

Michael Alvarez:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Validated the documentation against the updated matrix to ensure that there are not inconsistencies.
- What is planned to be done until the next scrum meeting?
 - Help with going over the logging considerations and audit to verify the alignment with security constraints.
- What are the hurdles?
 - Ensuring terminology stays understandable for everyone.

Javier Espinosa:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Finalized a review on sections that were updated to ensure that there was no impacts to the earlier content which was previously verified.
- What is planned to be done until the next scrum meeting?
 - Conduct a go over of the threat modeling sections to mitigate risks of overcomplicating sectors.
- What are the hurdles?
 - Having consistency throughout the sections.

Joseph Avalos:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Drafted the presentation outline to ensure it matches the matrix and diagram.
Improved the final logical flow between everything.
- What is planned to be done until the next scrum meeting?
 - Start to draft the outlines of the slides which highlight the workflow improvements and security decisions.
- What are the hurdles?
 - Ensuring the slides portray the technical depth without being too complicated.

Bryan Rivero:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Went over the documents by cross-checking the documents to ensure cohesiveness and clear terminology across matrix, sections, and diagrams.
- What is planned to be done until the next scrum meeting?
 - Help with going over the refinements aswell as audit/logging.
- What are the hurdles?
 - Making sure the terminology and formatting stays consistent.
