

Daily Scrum Meeting Minutes:

Attendees: Zainab Akhtar, Michael Alvarez, Javier Espinosa, Joseph Avalos, Bryan Rivero

Start time: 7:00 PM

End time: 7:40 PM

Zainab Akhtar:

- How many hours did I work since the last meeting?
 - 2 hour
- What was done day since the last scrum meeting?
 - Finalized the threat modeling documentation by focusing on potential risks that can arise from aces control, security constraints, onboarding and offboarding. Then i worked on finding mitigation techniques which aligned with the RBAC and workflow structures.
- What is planned to be done until the next scrum meeting?
 - Help with the final documentation structure and do a verification check.
- What are the hurdles?
 - Making sure the mitigation practices stay aligned with the security constraints.

Michael Alvarez:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Completed the logging and audit considerations by finding security parts that were critical for monitoring such as role changes, provisioning, deprovisioning, and authentication attempts. Made sure that the accountability and compliance standards align with the requirements for logging.
- What is planned to be done until the next scrum meeting?
 - Help with the documentation assist and review to find the main points to focus on for sprint review.
- What are the hurdles?
 - Balancing everything without making it overcomplicated.

Javier Espinosa:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Did a final look over with the criteria of acceptance to ensure that everything meets the standard of done. Also verified that the audit and threat modeling sections were added smoothly.
- What is planned to be done until the next scrum meeting?
 - Do a final overview of the documentation sections to ensure that everything is clear and ready for submission.
- What are the hurdles?

- Having cohesion within the documentation.

Joseph Avalos:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Started to create a draft for the sprint review slides which highlighted the matrix of traceability, interaction diagram, and security decisions Also formatted the presentation to show the risk mitigation and workflow mitigation efforts.
- What is planned to be done until the next scrum meeting?
 - Complete the slides for presentation and rehearse the overall walkthrough flow.
- What are the hurdles?
 - Making sure that the timing is within the required limit while also still going over everything that was improved.

Bryan Rivero:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Did the final terminology and formatting withing all of the sections. Made sure that there was consistency i the matrix of traceability, audit, and threat modeling sections.
- What is planned to be done until the next scrum meeting?
 - Help with the overall support and proofreading for the preparation for sprint review.
- What are the hurdles?
 - Doing minor adjustments in some selections that are interconnected.
