

Daily Scrum Meeting Minutes:

Attendees: Zainab Akhtar, Michael Alvarez, Javier Espinosa, Joseph Avalos, Bryan Rivero

Start time: 6:00 PM

End time: 6:25 PM

Zainab Akhtar:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done day since the last scrum meeting?
 - Started to outline the documentation for compliance mapping by identifying the compliance standard and then matching them with the security controls which were previously implemented. Started to create the structure for the assessment for risk impact.
- What is planned to be done until the next scrum meeting?
 - Continue to develop the compliance mapping in addition to defining the categories of rank and criterias for ranking the matric impact.
- What are the hurdles?
 - Ensuring the justification of compliance mapping ensuring they align with controls.

Michael Alvarez:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Started to outline the checklist for security validation as well as identifying the main checkpoints for offboarding onboarding, threat mitigation, logging, and RBAC as well as framework.
- What is planned to be done until the next scrum meeting?
 - Further develop the checklist and refine the security assumptions.
- What are the hurdles?
 - Ensuring everything in the checklist is measurable and specific.

Javier Espinosa:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Started to create a structure for the internal security review stimulation also by creating an evaluation criteria.
- What is planned to be done until the next scrum meeting?
 - Create a planned internal audit walkthrough that is step-by-step.
- What are the hurdles?
 - Making sure the audit clearly reflects the implementation of systems.

Joseph Avalos:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Worked together to rank the scales for risk impact for the assessment overview.
- What is planned to be done until the next scrum meeting?
 - Start to populate the matrix of risk by finding preliminary scores and threats.
- What are the hurdles?
 - Keeping the criteria consistent and objective.

Bryan Rivero:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Started to refine the system interaction diagram for better clarity within visuals and readability standards. Drafted a structure for the high-level summary.
- What is planned to be done until the next scrum meeting?
 - Continue to refine the diagram by adding labels and key points.
- What are the hurdles?
 - Ensuring clarity is being improves without oversimplifying any section.
