

Daily Scrum Meeting Minutes:

Attendees: Zainab Akhtar, Michael Alvarez, Javier Espinosa, Joseph Avalos, Bryan Rivero

Start time: 6:00 PM

End time: 6:30 PM

Zainab Akhtar:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done day since the last scrum meeting?
 - Continued to explain the mapping of the compliance documentation by adding in compliance standards aligned with their security controls..Started to define some ranking categories for assessment of risk impact.
- What is planned to be done until the next scrum meeting?
 - Start adding in assigned probability of impact scores and identified threats into the matrix.
- What are the hurdles?
 - Making sure their is coherence between the previous security controls and mapping of compliance standards.

Michael Alvarez:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Further expanded the checklist of security validation by breaking down everything into smaller items. Developed the security assumptions.
- What is planned to be done until the next scrum meeting?
 - Finish the initial draft of the checklist of validation.
- What are the hurdles?
 - Staying away from redundancy in the documentation.

Javier Espinosa:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Started a planned internal audit walkthrough that is step-by-step which outlines the review checkpoints and evaluation steps.
- What is planned to be done until the next scrum meeting?
 - Go over the audit with the documentation to make sure it seems realistic.
- What are the hurdles?
 - Ensuring the audit measures system workflow accurately.

Joseph Avalos:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Started to include items in the risk impact matrix such as preliminary impact scores and identified threats,
- What is planned to be done until the next scrum meeting?
 - Validate the risk prioritization with group members and fix the consistency of scoring.
- What are the hurdles?
 - Ensuring the scores are aligned with the documentation of threat modeling.

Bryan Rivero:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Continued to refine the diagram by adding in labels and key points, improving the visuals of the documentation diagrams.
- What is planned to be done until the next scrum meeting?
 - Finalize the visuals and continue to create the summary content.
- What are the hurdles?
 - Ensuring that there is technical accuracy with simple yet creative visuals.
