

Daily Scrum Meeting Minutes:

Attendees: Zainab Akhtar, Michael Alvarez, Javier Espinosa, Joseph Avalos, Bryan Rivero

Start time: 6:30 PM

End time: 6:55 PM

Zainab Akhtar:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done day since the last scrum meeting?
 - Reviewed the changes made to ensure everything stays clear and consistent throughout. Also fixed some formatting issues that were left to fix yesterday.
- What is planned to be done until the next scrum meeting?
 - Added in the finished impact risk matrix with the documentation and made sure it aligned with the compliance mapping sections.
- What are the hurdles?
 - Continuing consistency throughout the explanations and also the earlier security and threat control documentations.

Michael Alvarez:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Added in the feedback I received from the team with the security validation list also verified the easier steps.
- What is planned to be done until the next scrum meeting?
 - Did a final overview of the list to make sure it matched with the security and system flow documentation.
- What are the hurdles?
 - Ensuring everything stays aligned with the other sections.

Javier Espinosa:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Got the team to validate the audit draft and give feedback that could be implemented the next day. Started updating it according to the feedback.
- What is planned to be done until the next scrum meeting?
 - Finished the walkthrough audit and made sure it reflects the security validation steps.
- What are the hurdles?
 - Making sure the stimulation realistically reflects the documentation.

Joseph Avalos:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Went over the complete risk prioritization ensuring that the previous selections aligned with the ideas of this section.
- What is planned to be done until the next scrum meeting?
 - Fix the explanations for the methodology of risk prioritization to ensure clear sections for stakeholders.
- What are the hurdles?
 - Making sure the explanations are concise while still being technical.

Bryan Rivero:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Shared the initial draft of the visuals and summary with the team and got feedback about the structure and clarity.
- What is planned to be done until the next scrum meeting?
 - Add the feedback I got and continue to develop the summary and visuals until it meets the standards.
- What are the hurdles?
 - Balancing accuracy with high-level clarity.
