

Daily Scrum Meeting Minutes:

Attendees: Zainab Akhtar, Michael Alvarez, Javier Espinosa, Joseph Avalos, Bryan Rivero

Start time: 6:30 PM

End time: 6:45 PM

Zainab Akhtar:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done day since the last scrum meeting?
 - Went over the matrix of risk impact and the documentations to make sure the explanations make sense and are consistent with the risk prioritization and threat modeling sections.
- What is planned to be done until the next scrum meeting?
 - Help with refining the section of security limitations by going over the assumptions and making sure they go with the security controls documented earlier.
- What are the hurdles?
 - Confirming the security consideration explanations are being covered in a concise way.

Michael Alvarez:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Started to document the operational assumptions and system security limitations, highlighting the areas in which the system controls are reliant on the user behavior or organization policies.
- What is planned to be done until the next scrum meeting?
 - Continue to refine the explanations and limitations sections to clearly display the assumptions and boundaries.
- What are the hurdles?
 - Making sure everything stays clear and consistent.

Javier Espinosa:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Helped with highlighting the security limitations sections and also organized the assumptions into the documentation in a way that improves the readability.
- What is planned to be done until the next scrum meeting?
 - Continue to adjust the limitations sections making sure it goes with the validation checklist and the internal audit.
- What are the hurdles?

- Making sure the sections cover all of the assumptions in an organized way.

Joseph Avalos:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Went over the risk prioritization explanations making sure they go with the ratings for the finalized matrix as well as help the threat descriptions. .
- What is planned to be done until the next scrum meeting?
 - Help with going over the security limitations making sure they go with the system controls and identified risks.
- What are the hurdles?
 - Making sure the explanations stay technically accurate in a way which makes readability easy for stakeholders.

Bryan Rivero:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Continue to define the summary by adjusting the risk mitigation approach, security architecture and governance structure.
- What is planned to be done until the next scrum meeting?
 - Finalize the summary and add in the highlights and key visuals from the documentation.
- What are the hurdles?
 - Making sure the summary is not too complicated as i can get carried away with the explanations.
