

Daily Scrum Meeting Minutes:

Attendees: Zainab Akhtar, Michael Alvarez, Javier Espinosa, Joseph Avalos, Bryan Rivero

Start time: 6:10 PM

End time: 6:25 PM

Zainab Akhtar:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done day since the last scrum meeting?
 - Continued to refine the lifecycle for user access such as defining how role assignment, authentication and permission changes would happen throughout the model.
- What is planned to be done until the next scrum meeting?
 - Start to add in explanations of how each stage would enforce RBAC.
- What are the hurdles?
 - Making sure each stage connects with the previously listed stage.

Michael Alvarez:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Developed the workflow for incident response by creating a thoughtful flow by adding in more details on how issues would be reported and escalated.
- What is planned to be done until the next scrum meeting?
 - Continue to develop the workflow to show how it would monitor alerts.
- What are the hurdles?
 - Ensuring there is detail that can be followed easily.

Javier Espinosa:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Continue to refine the framework for security policy by adding in clearer categories on user-level security and system controls.
- What is planned to be done until the next scrum meeting?
 - Further adjust the structure of the policy to align with the security requirements and system controls.
- What are the hurdles?
 - Ensuring the policies stay organized and clear.

Joseph Avalos:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Continued to refine the framework for security monitoring by adding in specific details which should be logged showing how the triggering affect would occur when there is an alert about suspicious activity.
- What is planned to be done until the next scrum meeting?
 - Further refine the framework to make it stronger in workflow.
- What are the hurdles?
 - Making sure the process reflects real-world evaluations.

Bryan Rivero:

- How many hours did I work since the last meeting?
 - 1.5 hour
- What was done since the last scrum meeting?
 - Continue to work on the package of documentation ensuring that all the necessary documents are included. Also started to draft out the implementation overview of security controls.
- What is planned to be done until the next scrum meeting?
 - Continue to develop the package and also add in more details of the control implementation overview.
- What are the hurdles?
 - Keeping the terminology consistent and following the right format.
