

Daily Scrum Meeting Minutes:

Attendees: Zainab Akhtar, Michael Alvarez, Javier Espinosa, Joseph Avalos, Bryan Rivero

Start time: 7:30 PM

End time: 7:50 PM

Zainab Akhtar:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done day since the last scrum meeting?
 - Start to review how all of the components of the documentation work together such as the framework and incident response making sure to identify the key areas of focus and their functionality..
- What is planned to be done until the next scrum meeting?
 - Start to develop a clear demo flow which walks through the main sections starting from onboarding all the way to recovery scenarios.
- What are the hurdles?
 - Making sure that all of the areas connect without many gaps throughout the transitions.

Michael Alvarez:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Identified certain edge cases in which the authentication failed, system-triggered alerts and unauthorized access.
- What is planned to be done until the next scrum meeting?
 - Start to define certain error handling instances for each scenario identified.
- What are the hurdles?
 - Ensuring all the cases are realistic.

Javier Espinosa:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Organized the structure for the documentation like the outlining of the README, setup instructions, and system overview.
- What is planned to be done until the next scrum meeting?
 - Continue to create the README file
- What are the hurdles?
 - Making sure everything stays clear even for non-technical stakeholders.

Joseph Avalos:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Start the testing for the initial walkthrough and connect the minor gaps in flow with the incident responses.
- What is planned to be done until the next scrum meeting?
 - Continue to test the different scenarios in action.
- What are the hurdles?
 - Making sure the workflows are consistent throughout.

Bryan Rivero:

- How many hours did I work since the last meeting?
 - 1 hour
- What was done since the last scrum meeting?
 - Started to go over the visuals and the diagrams to identify areas which can be improved.
- What is planned to be done until the next scrum meeting?
 - Continue to refine some demo scenarios.
- What are the hurdles?
 - Having a balance between technical accuracy and simplicity.
